Our trade fair specials

ACHEMA

ACHEMA is known as the world forum for the process industry. This international trade fair, conference and exhibition, which takes place every three years, has a permanent place in various industries. With more than 110,000 square meters of exhibition space, it is the home for the entire technology and service spectrum of the process industry. As a globally unique overview of the current technology trends in the industry, it offers hands-on technology and global networking. Manufacturers and service providers from over 50 countries are expected, which present products for chemistry, pharmaceuticals, biotechnology, energy and the environment, as well as visitors from more than 130 countries.

However, AACHEMA is not only a platform for the latest technological developments, but also an important place for the exchange of knowledge and experiences. The accompanying conference offers top-class lectures and discussions on current topics in the fields of chemistry, pharmaceuticals, biotechnology, energy and the environment. Here, experts have the opportunity to share their expertise and benefit from the insights of other industry leaders. In addition, AACHEMA offers numerous networking opportunities where visitors and exhibitors from all over the world can meet to make business contacts and exchange innovative ideas.

In Europe, Fachpack is the central meeting point for the packaging industry and its users. The trade fair provides a comprehensive insight into relevant topics from the packaging industry, from product packaging to solutions for packaging production, logistics and much more.

cleanzone

The Cleanzone is the leading meeting point for innovations and solutions in the field of cleanroom technology and controlled environments. The Cleanzone trade fair is an annual highlight for professionals from the pharmaceutical, microelectronics, biotechnology and other industries that require the highest standards of cleanliness and quality.

This is where experts, providers and decision-makers come together to discover the latest technologies, products and services, deepen their knowledge and make valuable business contacts. Cleanzone offers a wide range of events, including specialist lectures, workshops and discussions on the latest trends and challenges in cleanroom technology.

GMP Pharma Congress is the leading conference and exhibition for good manufacturing practices (GMP) in the pharmaceutical and life sciences industry. It is the platform where experts, regulators and industry leaders come together to discuss the latest developments in the field of drug manufacturing.

LOUNGES

The Lounges trade fair is the leading platform for experts and industry leaders in the areas of pharmaceuticals, biotechnology, chemistry and laboratory automation. The Lounges trade fairs are the annual meeting point for innovations, knowledge transfer and networking in these dynamic industries. Our events offer you the opportunity to explore the latest trends, products and technologies, follow inspiring specialist lectures and make valuable contacts.

The Lounges trade fair is characterized not only by its wide range of exhibitors and top-class speakers, but also by its diverse interactive formats. Visitors have the opportunity to take part in live demonstrations, workshops and discussions.

Lead generation

You have to successfully spread your budget and position yourself correctly. This leads to the following questions:

- ❓ What do I want/should I achieve?
- ❓ Which media should be used?
- ❓ How do I distribute the advertising budget?
- ❓ How do you measure the success of a campaign?
- ❓ Which numbers are relevant?
- ❓ How do I reach my target group?
